Last Updated: January 10, 2026

1. Acceptance of Terms

By accessing or using CXXR payment stablecoin services, including the CXXR Wallet, minting, redemption, transfer, or any related services (collectively, the "Service"), you agree to be bound by these Terms of Use ("Terms"). If you do not agree to these Terms, do not use the Service.

These Terms constitute a legally binding agreement between you and CXXR, Inc., a permitted payment stablecoin issuer operating under the Guiding and Establishing National Innovation for U.S. Stablecoins Act of 2025 ("GENIUS Act") ("we," "our," or "us").

2. Description of Service

2.1 Payment Stablecoin

CXXR is a payment stablecoin—a digital asset designed to be used as a means of payment or settlement. Each CXXR token is:

- Redeemable for one United States Dollar (\$1.00 USD)
- Backed at least 1:1 by qualifying reserve assets as required by the GENIUS Act
- Issued only by CXXR, Inc. as a permitted payment stablecoin issuer

2.2 Services Provided

The Service enables you to:

- **Mint CXXR:** Exchange U.S. Dollars for newly issued CXXR tokens
- **Redeem CXXR:** Exchange CXXR tokens for U.S. Dollars
- **Transfer CXXR:** Send CXXR tokens to other CXXR Wallet users
- **Store CXXR:** Hold CXXR tokens in the CXXR Wallet

2.3 CXXR Is Not a Security

CXXR is a payment stablecoin, not a security. CXXR tokens do not represent equity ownership, do not confer voting rights, and do not entitle holders to dividends, profits, or any investment returns. Pursuant to the GENIUS Act, payment stablecoins issued by permitted payment stablecoin issuers are expressly excluded from the definition of "security" under federal securities laws.

- Cannot complete identity verification requirements
 - Have previously had your account terminated for violation of these Terms
-

4. Reserve Backing and Redemption

4.1 1:1 Reserve Requirement

Pursuant to GENIUS Act Section 4(a)(1)(A), we maintain reserves backing all outstanding CXXR tokens on at least a 1:1 basis. Reserve assets consist exclusively of:

- United States coins and currency (including Federal Reserve notes)
- Demand deposits at insured depository institutions
- Treasury bills with remaining maturity of 93 days or less
- Repurchase agreements (7 days or less) backed by short-term Treasury bills
- Reverse repurchase agreements meeting GENIUS Act requirements
- Money market funds invested solely in the above assets
- Central Bank reserve deposits

4.2 No Rehypothecation

Pursuant to GENIUS Act Section 4(a)(2), reserve assets are not pledged, rehypothecated, or reused, except as specifically permitted to create liquidity for redemptions.

4.3 Redemption Rights

You have the right to redeem your CXXR tokens for U.S. Dollars at a 1:1 ratio. Redemption requests are processed in accordance with our published redemption policy, available at cxxr.net/redemption.

4.4 Priority in Insolvency

Pursuant to GENIUS Act Section 9, in any insolvency proceeding involving CXXR, Inc., holders of CXXR tokens have first priority over all other claims against the company.

5. Reserve Transparency and Attestation

5.1 Monthly Reserve Reports

Pursuant to GENIUS Act Section 4(a)(1)(D), we publish monthly on our website (cxxr.net/reserves):

- The total number of outstanding CXXR tokens
- The amount and composition of reserve assets

5.2 Independent Examination

Pursuant to GENIUS Act Section 4(a)(3)(A), each monthly reserve report is examined by a registered public accounting firm.

5.3 CEO/CFO Certification

Pursuant to GENIUS Act Section 4(a)(3)(B), our Chief Executive Officer and Chief Financial Officer certify the accuracy of each monthly reserve report. False certification is subject to criminal penalties under 18 U.S.C. § 1350(c).

6.1 Segregation of Assets

Pursuant to GENIUS Act Section 8(b), your CXXR tokens and associated assets are treated as belonging to you and are protected from claims of our creditors.

Pursuant to GENIUS Act Section 8(c), your assets are separately accounted for and are not commingled with our corporate funds.

6.3 Custodial Services

If you use our custodial services for CXXR tokens or private keys, such services are provided in compliance with GENIUS Act Section 8 requirements.

7. Fees

7.1 Peer-to-Peer Transfers

Transfers between Personal Wallets are free (0% fee).

7.2 Merchant Transaction Fee Schedule

Payments to Merchant Wallets incur a tiered transaction fee based on transaction value. The fee is deducted from the amount received by the merchant.

7.2.1 Standard Tiered Rates

Portion of Value	Rate
First \$100,000	1.00%
\$100,001 – \$500,000	0.75%
\$500,001 – \$2,000,000	0.50%
\$2,000,001 – \$10,000,000	0.40%
Above \$10,000,000	0.30%

7.2.2 CCC Score Volume Discounts

Merchants receiving payments through CXXR are eligible for volume-based discounts tied to their CCC Score. Higher CCC Scores unlock greater discounts at lower volume thresholds:

CCC Score	Annual Volume Threshold	Discount
700+	\$5,000,000+	5% off
750+	\$15,000,000+	10% off
800+	\$50,000,000+	15% off

CCC Score is a proprietary merchant reliability and compliance rating calculated based on transaction history, account standing, dispute resolution, and regulatory compliance. Scores range from 300 to 850.

Volume discounts are calculated based on cumulative transaction volume within a calendar year and applied monthly in arrears. Both the CCC Score requirement and annual volume threshold must be met to qualify for each discount tier.

The Merchant Transaction Fee applies to payments for goods and services, including but not limited to:

- Bills of lading
- Letters of credit
- Trade invoices
- Purchase orders
- Customs declarations
